**DETAILED ACTION**

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on November 19, 2008 has been entered. Claims 1, 2, 5-9, 11-14 and 16-18 are pending.

***Response to Amendment***

2. The rejections of claims 1, 2, 5-9, 11-14 and 16-18 under 35 U.S.C. § 103(a) have been withdrawn in view of Applicant's amendments to the claims.

***Response to Arguments***

3. Applicant's arguments have been fully considered and are persuasive. The rejections of the claims have been withdrawn as noted above.

***Allowable Subject Matter***

4. Claims 1, 2, 5-9, 11-14 and 16-18 are allowed.

5. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or reasonably suggest, in the arrangements recited in independent claims 1, 8, 12 and 16, receiving run-time code for an application generated from a converted design-time representation of the application, wherein the converted design-time representation is generated from an original design-time representation of the application that

includes original processing logic, wherein the converted design-time representation includes converted processing logic used to generate run-time code for the original processing logic, and executing the run-time code in a second run-time environment using an adapter operable to interface with a run-time module in a first run-time environment, such as reflected in Applicant's arguments (see Applicant's remarks, pages 14-15).

6. Any comments that Applicant considers necessary must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

#### ***Conclusion***

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael J. Yigdall whose telephone number is 571-272-3707. The examiner can normally be reached on Monday to Friday from 8:00 AM to 4:30 PM.
